

Pay-as-you-go Workers' Comp

FACT SHEET

The ideal cash management solution for workers' compensation

About our Pay-as-you-go Workers' Compensation Service

We offer this service to help you improve your cash flow—which we know is vital to your business! Our pay-as-you-go offering is seamlessly integrated with your payroll, enabling you to avoid large annual or semi-annual premium payments for workers' compensation insurance. Instead, your premiums are based on your actual payroll—one manageable payment at a time.

Pay-as-you-go is offered through our firm and [INSURANCE PROVIDER]—a trusted, long-time provider of insurance solutions. Rest assured that all tasks associated with workers' compensation will be handled appropriately and in a timely manner.

Avoid making one large annual insurance payment... simply pay as you go!

Consider the value of our Pay-as-you-go Workers' Compensation service

Significantly improve your cash flow. There's no need to tie up your cash flow by making large up-front annual insurance payments. Paying by payroll cycle is much more manageable.

Enjoy the peace of mind that your trusted advisor and a leading insurance company are handling your workers' compensation needs.

Eliminate surprises like year-end audit adjustments and late fees.

Avoid "estimated" payments. You shouldn't have to guess how much to pay up-front. Based on your actual payroll, you always know what your premium will be—helping you better budget your expenses.

Increase the accuracy of your financials.

We provide accurate calculations based on your payroll.

Eliminate check writing. We make the insurance payments for you through your payroll, saving you time and eliminating one more administrative task.

We Always Have Your Best Interest in Mind

Our main objective is to ensure your success, so we are always looking for ways to help you meet your cash planning and management goals. We work with a leading insurance company to ensure you receive the highest quality service. With [INSURANCE PROVIDER] you receive:

- **Competitive insurance rates**
- **Exclusive coverage endorsements**
- **Responsive service** from knowledgeable workers' compensation experts
- **Medical/case management**
- **24-hour claim reporting service** each year—adding up to hundreds of thousands of dollars. Businesses can't afford this type of wasted labor costs, which is why we offer our advanced timekeeping system to augment your current time clock solution.

Pay-as-you-go puts control of your workers' compensation payments in your hands—where it should be!
